The merits of La Bruyere's " Characters " are known ; but, for the benefit of those who are not so well acquainted with our author, I may state that he is neither so terse, epigrammatic, sublime, nor profound as either Pascal or La Rochefoucauld are, but that he is infinitely more readable, as he is always trying to please his readers, and now and then sacrifices even a certain depth of thought to attain his object.

La Bruyere takes good care to tel
